Principal designer Lisa Richardt comes to her craft honestly. As the granddaughter of a Seattle-based jewelry artist, she was enchanted by her grandpa Walt's world from a young age. Having earned a loyal following of her own, Lisa named her company in honor of her parents, Veronica & Harold, and designs handmade jewelry with sterling silver, gold fill, gold plate, natural and semi-precious gemstones. Equally inspired by both her PNW surroundings and extensive world travels, Lisa forecasts and explores upcoming trends, and understands the timeless potential of the perfect piece.
